### 10BEST SAYS...

If I had to choose two words to describe this apartment hotel superbly located near rue Cadet and Grands Boulevards they would be service and ethical luxury. In a city where prices are high and the notion of "service" often is not included, R?--sidence Nell, a member of the Charm & More Group, stands apart. Here the concierge service is the soul of the hotel. Ideal for families who want to feel "at home" while visiting Paris or even businesspeople who prefer the comforts of a pied-a-terre when in Paris, Nell caters superbly to both. Children here are VIPs. For kids up to 3 years old a changing table and high-chair are available free of charge. Playstation 3 is also available for use. And the kitchenettes come completely equipped. Also free WiFi. Rue Cadet is a market pedestrian street and the ultra-hip SoPi(South Pigalle) is just up the street.
