

Dear Sir, Dear Madam

We thank you for your interest in our establishment and  
We would be glad to welcome you for the *New Year's Eve* Dinner.

We are pleased to submit our menu at €135.00 per person, drinks included.

**This year, free choice à la carte to compose your 5 dishes menu!**

Starter/fish/meat/cheese/dessert

Or 2 Starters/ meat or fish/ cheese/ dessert

**Drinks are included, and this dinner is placed under the sign of freedom and hedonism  
Where you choose the service of drinks which retains your preference at the time of booking:**

To accompany your meal, we bestow upon you the choice of a glass of wine with each dish, (subject to your waiter's selection) or a bottle of white and red wine or indulge in a full *Philipponnat* Champagne dinner.  
(Please inform us of your intentions upon reservation).

If none of the above suits you,  
It will be possible for you to choose your drink à la carte!  
Naturally, €55.00 of the menu will be deducted but your order must be at least equal.

**At last, chose the decoration, the atmosphere and the spirit that you like most!**

Either at the Bistro with its checkered floor, its large banquettes and the animated bistro spirit,  
Either in the lounge, coated in large sofas for a relaxed dinner in a cozy space, calmer thanks to its 3 alcoves,  
Either in a Winebrary for a more cozy and intimate atmosphere and decoration  
(*Winebrary: from 3, 4, 8 or 12 persons with a supplement of €25.00 per guests*)  
*To be specified upon reservation*

The menu is not ready yet, it remains in the same style as La Régalade  
You will find attached the menu we are currently proposing  
You will find an idea of the dishes that will be proposed to you on the occasion of New Year's Eve.  
By the way, the suggestions of the day, with slate, with or without supplement are always available.

No option can be made, and all reservations need to be prepaid in order to be confirmed,
